What We Love Most About Our Home at 10420 Ember Glen Dr.

1. *The natural light in the house*
2. *The backyard is filled with trees and backs up to a greenbelt*
3. *You can walk your children to elementary school*
4. *The kitchen is open and central and great for entertaining*
5. *The master bedroom has high ceilings and is down by itself creating privacy*
6. *The upstairs family room is large and open and has a great view of the backyard*
7. *The Jack and Jill bath room is great for siblings*
8. *The dark wood floors make a great impression on visitors*
9. *The entry way is open and the vaulted ceilings create a grand entrance*
10. *The walk-in attic offers tons of storage space that is easy to get to*
